## Viessman Split Air Condition Units

### AC - KNX Gateway

### Compatibility List

## **Viessman Split AC - KNX Gateway Compatibility List**

This document describes the compatibilities of Viessman Split air conditioners with ITR830-0015.

Specified models in the document are referred **indoor units**. If the last user wants to operate an AC unit with a model number not specified in this document might not be compatible with ITR830-0015. Models should not be used without checking model compatibility. The user should contact with supplier for this. Moreover, we recommend the users pay attention to the possible updates of the document.

## Compatibility Table

The models described in the table below refer to only indoor units. Please contact us for a compatibility check if a model number is not specified in this list. The connection diagram between the air conditioner interface and the air conditioner indoor unit is detailed in the ITR830-0015 datasheet. For more detailed information about the AC indoor units, you can contact Viessman.
